

## **Change in Terms Notice Funds Availability Policy**

*Due to changes in Federal Regulation CC, the amount of funds that must be made available to you will be changing **effective July 1, 2025**.*

*This addendum replaces the section of our Terms and Conditions, under **Your Ability to Withdraw Funds—Longer Delays May Apply** (pg. 8):*

**Case-by-case delays.** In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check you deposit, your funds may not be available until the second business day after the day we receive your deposit. The first \$275 of your deposits, however, will be available immediately.

If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

**Safeguard exceptions.** In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$6,725 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

### **Special Rules for New Accounts**

If you are a new customer, the following special rules will apply during the first 30 you're your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available immediately if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$6,725 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the seventh business day after the day of your deposit.
